

Dana Williamson

Summary

Recent graduate moving into QA/Testing. Most of my practical experience is self-directed - personal projects in Postman and Selenium - and I'm looking for a team to learn production engineering with.

Qualifications

Bachelor, Data Science

East Derrickville Institute of Technology | 2023 to 2026

Relevant coursework: Statistical Learning, Natural Language Processing, Data Mining, Bayesian Inference

Relevant Experience

Seeking a first professional role; see projects below.
