

STEVEN LEONARD

About Me

Recent graduate moving into Product/Design. Most of my practical experience is self-directed - personal projects in Confluence and Figma - and I'm looking for a team to learn production engineering with.

Experience

Seeking a first professional role; see projects below.

Qualifications

Master, Computer Science

Matthewview University | 2025

Relevant coursework: Computer Networks, Databases, Distributed Systems, Compilers

Bachelor, Business Administration

West Destinyfurt State University | 2020 — 2023

Key Skills

Confluence

Figma

Tableau

Jira

Bash

Excel

Side Projects

Commute optimiser

Pulls transit APIs and suggests departure times, built on Jira.

Conference talk

Spoke on Jira in production at a regional meetup, ~40 attendees.

Recipe search engine

Full-text search over a scraped recipe corpus using Bash; learned more about ranking than about cooking.

Personal Interests

Trail running, Cooking
