

Christopher Richard

Data Scientist

Profile

Data/AI/ML graduate with 1 year of hands-on experience, most recently at Ironwood Consulting. Comfortable with Python and Hugging Face, and keen to work somewhere with strong code review culture.

Academic History

Bachelor, Data Science

Collierstad National University | 2020 – 2024

2:1 Honours

Relevant coursework: Bayesian Inference, Data Mining, Natural Language Processing, Experimental Design

Relevant Experience

Data Scientist, Ironwood Consulting

Nov '24 – Present | South Philipport (Remote (UK))

- Reduced label noise by redesigning the annotation guidelines, improving validation accuracy by 18%.
- Mentored 40 analysts moving into modelling work, with weekly paper reading and code review.

Open Source

Recipe search engine

Full-text search over a scraped recipe corpus using Pandas; learned more about ranking than about cooking.

Commute optimiser

Pulls transit APIs and suggests departure times, built on Redis.

Home energy dashboard

Collects meter readings and renders them with Redis. Mostly an excuse to learn time-series storage properly.

Certificates

HashiCorp Certified: Terraform Associate — HashiCorp, 2026

AWS Certified Developer - Associate — Amazon Web Services, 2023

ISTQB Certified Tester - Foundation Level — ISTQB, 2024

Volunteering

Maintainer of a small open-source dbt library used by a handful of teams.
