

James Huber

Career Objective

8 years in Product/Design, most of it spent on systems other teams depend on. Comfortable leading technical decisions, pushing back on scope when it matters, and carrying a pager for what I build. Primary tools: Git and Jira.

Key Achievements

- » Prototyped 15 concepts in Sketch and killed two early on evidence rather than opinion.
- » Shipped a design system in TypeScript adopted across 30 product surfaces.
- » Introduced accessibility standards to the design process, taking 15 flows to WCAG AA.

Professional Experience

UX Designer

Nova Tech Group | 2021–Present | Lucasshire (Hybrid)

- » Negotiated scope with engineering and legal to ship a compliance deadline on time.
- » Built the experimentation framework the team uses to size bets before committing.
- » Reduced support contacts by 40% by reworking the checkout and error states.

UX Designer

Uber | 2019–2021 | Port Grantland

- » Redesigned onboarding in Sketch, lifting activation from 4% to 90%.
- » Defined north-star metrics and instrumented them across 30 delivery squads.

Technical Product Manager, LinkedIn

2018–2019 | Christopherview (Remote)

- » Wrote the PRDs and acceptance criteria for a platform migration affecting 30k users.

Education & Qualifications

PhD, Physics

Staceyhaven National University | 2015–2018

Thesis: "Statistical modelling of detector noise"

Bachelor, Information Systems

Meghanview State University | 2010–2014

Tech Stack

Languages: TypeScript, Python

Frameworks: React

Data: Snowflake, Elasticsearch

Analytics & Design: Sketch, Tableau

Testing & Tooling: Git, Jira

Licences & Certifications

ISTQB Certified Tester - Foundation Level — ISTQB, 2023

Certified Information Systems Security Professional (CISSP) — ISC2, 2026

Publications

"Statistical modelling of detector noise" - accepted at a peer-reviewed workshop, 2018.

Language Skills

English – C2

Hindi – C1

German – C1

Interests

Cooking, Sailing
