Personal Statement

Applied Scientist with 1 year of commercial experience across Data/AI/ML. I learn fast, ask a lot of questions, and care about leaving code clearer than I found it. Core tools: Docker, Hugging Face.

Education & Qualifications

Bachelor, Biology

Hopkinstown State University | 2020 – 2023

Work Experience

Applied Scientist, Clearwater Systems

Feb 2025 – Present | Robbinsburgh

- Developed an NLP classification system in Hugging Face reaching 88% F1, replacing a manual review queue.
- Established offline/online evaluation parity, catching 20 silent regressions before release.

Tech Stack

Docker, Hugging Face, FastAPI, Sketch

Selected Projects

Recipe search engine

Full-text search over a scraped recipe corpus using Docker; learned more about ranking than about cooking.

Commute optimiser

Pulls transit APIs and suggests departure times, built on Sketch.

Personal finance tracker

Self-hosted spend tracker built with FastAPI. Deliberately kept the data local rather than using a hosted service.

Language Skills

English – C2

Mandarin – Professional working proficiency

German – B2
