

EMILY MEADOWS

cynthia35@example.net • +1-946-540-5103x8802 • West Douglaschester • linkedin.com/in/emily-meadows

QA Engineer with 2 years of commercial experience across QA/Testing. I learn fast, ask a lot of questions, and care about leaving code clearer than I found it. Core tools: TypeScript, pytest.

ACADEMIC HISTORY

Master, Software Engineering

Lake Sarah State University | 2020 – 2022

Bachelor, Information Systems

Jimmytown National University | 2015 – 2019

PROFESSIONAL EXPERIENCE

Oracle — QA Engineer

Jan 2024 – Current | New Robertton (Hybrid - 2 days on-site)

- Set up cross-browser and device coverage in pytest, catching defects staging had missed.
- Partnered with developers to shift testing left, embedding QA in refinement sessions.
- Reduced escaped defects by 55% through risk-based test prioritisation.

TECHNOLOGIES

Languages: TypeScript

Frameworks: Hugging Face, Next.js

Cloud & DevOps: Docker

Testing & Tooling: pytest, Jira, Confluence

SELECTED PROJECTS

Personal finance tracker

Self-hosted spend tracker built with Confluence. Deliberately kept the data local rather than using a hosted service.

Conference talk

Spoke on Confluence in production at a regional meetup, ~10 attendees.

Recipe search engine

Full-text search over a scraped recipe corpus using Hugging Face; learned more about ranking than about cooking.

LANGUAGES

English – C2
