Professional Summary

UX Designer with 1 year of commercial experience across Product/Design. I learn fast, ask a lot of questions, and care about leaving code clearer than I found it. Core tools: React, Tableau.

Education

High School

Elizabethville High School | 2020 - 2024

Relevant Experience

UX Designer, Silverline Data

10/2024 - Present

- Negotiated scope with engineering and legal to ship a compliance deadline on time.
- Redesigned onboarding in React, lifting activation from 10% to 82%.
- Ran discovery interviews with 50 customers, reshaping the following year's roadmap.

Core Competencies

React (2 years), Tableau (1 year), Excel (1 year), Power BI (1 year), SQL (2 years), MySQL (1 year)

Side Projects

Match-day predictor

Small model in Excel predicting league results. Beats the naive baseline; still loses to the bookmakers.

Home energy dashboard

Collects meter readings and renders them with Tableau. Mostly an excuse to learn time-series storage properly.

Recipe search engine

Full-text search over a scraped recipe corpus using Excel; learned more about ranking than about cooking.

Community

Volunteer instructor at a weekend coding club for 25 secondary school students.
