About Me

Infrastructure Engineer with 1 year of commercial experience across DevOps/Infrastructure. I learn fast, ask a lot of questions, and care about leaving code clearer than I found it. Core tools: Go, Python.

Professional Experience

Jul '25 – Present	Infrastructure Engineer Oracle » Built CI/CD pipelines with Jenkins, bringing mean time to deploy under 50 minutes. » Ran the on-call rotation for 6 production services, sustaining 99.9% availability.
-------------------	--

Education and Training

Bachelor, Physics

New Theodoreborough National University | 2025

Key Skills

Go — Working knowledge

Python — Working knowledge

Kafka — Working knowledge

Ansible — Working knowledge

GraphQL — Working knowledge

Jenkins — Working knowledge

Notable Projects

Recipe search engine

Full-text search over a scraped recipe corpus using Go; learned more about ranking than about cooking.

Home energy dashboard

Collects meter readings and renders them with Python. Mostly an excuse to learn time-series storage properly.

Conference talk

Spoke on Go in production at a regional meetup, ~60 attendees.

Volunteer Experience

Committee member, local DevOps meetup - organise speakers and venue.

Languages

English – Bilingual

Turkish – Basic (A2)

Polish – Fluent
